Dear Robert and Richard

<=:p>

We will be winding down construction over the next several weeks. As you get your program together please do not hesitate to contact us, and if possible visit Little St. James and see if any of our equipment would fit your Island needs. We haven't put together the list of excess equipment as of today, will forward as it does.

Both Brice, island manager [REDACTED] and Gary [REDACTED] are pleased to help and are available to confer anytime.

Dear Jeffrey,

Thank you for your email to Richard and for your offer of assistance on the rebuild of the Great House on Necker.

</=pan>

Could I ask what type of construction equipment you have that may be available? We are still working through the plan of the rebuild, but once we have some more detail about what equipment may be required then we may very well be in touch at that stage?

</=pan>

We do however really appreciate you taking the time to contact us and your support means a great deal to all involved.

Kind Regards,

Rob
