so we stick to the latest version then, right ?
I will reduce it to 2 pages for tonight and try to correct misspellings. the English colleagues have done it twice for me already for the older statement hopefully I'll find someone new

I see Merci mon cher

this first paragraph is fantastic because it is made in a narrative style . but passages have little connection...it all sounds a bit haphazard

but haven't you open the newest version (its enclosed now) ? [REDACTED] completely different= it forgets about UN.

What do you think of the green passage? its in a document together with all other paragraphs
