Absolutely!!!!!

I was very surprised when I entered the plane because it was not as nice as=yours and much smaller. But I thought that it was another plane you owned.=It's only yesterday that he told me that he didn't do any business with yo=r company. Also my uncle and his wife were very upset and complaining because we had a=16hr flight (we stopped in spain for 3 hrs for crew change and something =lse). As soon as we landed he called David to complain.

I guess some people are very insecure. He wanted to talk to you you so he w=uld introduce you but when exchanging he thought you could "steal" his fri=nd I guess.
