Subject: waverunner update

Jeffrey,

this Yamaha VX deluxe line is their most popular selling model. list price \$9,299.00

1 - 3 passenger model with extended rear platform.. this unit has Reverse,

I'd like to do more research, I know there are new models that have effective steering while engine is at idle for ease of docking and safer operation of the wave runner,. unlike earlier models if engine is running at idle, the wave runner did not respond to steering inputs,

For families looking to hit the water in reliable and affordable style, the VX Deluxe is a certified head-turner. New for 2012, the highly-comfortable precision-stitched three-person saddle sits atop a stunning all-new metallic deck. With a generous reboarding step and the largest stern area in its class, climbing aboard is now easier than ever. Loaded with amenities not found on competing models, the VX Deluxe proves that a fantastic day on the water doesn't have to break the bank.
