1 For your personal - .I suggest you form a group of cascading -two year zeroed out grats. (read up on them or i will explain) 2. review your Will and trusts. 3. your financial house has grown over time and has not been re-architected for its scale. i.e , it has grown organically,, (good for plants. not for finance). 2. Jpm will put together a legal framework, for the GDAF. 3. Its board will need to be populated. 4. there will be investment committees. , distribution committees, and a host of transparent real time interactions with donors. 4. you will be inundated with both people that want to give and people who will want to be a part of his. . 5. I appreciate the teasing , i view it as a true sign of a future friendship.
