Subject: Long time / New firm

Hi Jeffrey,

It has been some time since we last connected - I was with County Cork (Bob O'Brien's CT/family office) at that time. Since then I accepted a partnership at Whitman Asset Management (WAM).

Quick summary: Prior to forming WAM, Chuck Whitman co-founded Infinium Capital which he built into one of Chicago's top proprietary trading firms. He extracted his team, technology, and strategies to start WAM.

WAM manages a tactical Global Macro program characterized by low volatility, high Sharpe, medium frequency, short-term directional trading. Our performance profile is absolute return with non-correlation and compelling cash efficiency. We are open to outside investors in a managed account format.

It would be great to catch up and hear about our current mandates and how we might fit. Are you available to discuss this later in the week or early next?

Hope all is well with you and yours.

Many Thanks,

<=p>

Jeffrey Roy
