Subject: Ranch animals

I have found a home for all the goats, sheep and mini's to stay to=ether. I have also asked the woman that found "Spock" for =s to find him another home for a fair price.

I have sent the turkeys with Patrick (our pest control vendor).

I have someone that is interested in taking Max and using him to ride =long side his children and their horses.

Still working on Diablo and the pigs.....

Wendy
