Hi [REDACTED]

Nancy here. =lease may I extend apologies for David. He has been wrapped up in = conference where he was speaking and moderating panels, which has =aused him not to be as attentive to issues as he likes to be.

David thinks meeting Marco Magnani in New York while Marco is there =s a good idea. Looking at David's calendar, it appears that =ometime between 2:30p and 4:30p or possibly in the evening on Monday, =uly 18th would work.

May I run these times by David when he lands in New York and then =et back to you?

Many thanks,
Nancy

Hello David. Jeffrey requested I follow up and see if =ou might be available to meet with Marco Magnani, a friend of Boris =ikolic's. I have attached his resume's again for you for =onvenience. Marco will be in NY from Sat. July 9th to Thurs. July =1st. Marco knows you should be speaking on July 12th to a group =f YGL (and Marco will be there) at the WEF offices in NY...however, not =ure that is the ideal place to talk. He could meet you any other =ime while he is in NY those days or he is also happy to go to Boston =ne day of the following week (18, 19 or 20 or even Fri 15) He =ill keep his schedule as open as he can so he can be =lexible.

Please let me know your thoughts. Thank you! =nbsp;[REDACTED]
