i am uncomfortab=e with Meridian current insurance broker of record due to their dishonesty<=iv>they
promised insurance premium of 328,000 without even having conversat=ons with insurance carriers
they choose the wrong carrier to fabr=cate on their quote "Global" as our brokers confirmed they never had
dialog=e
then requested new broker of records letters so they could appr=ach other carriers..
then their quote had the wrong insurance lia=ility of 400mm vs 475mm and a \$0 deductible vs \$500,000
deductible
our brokers indicated that they have 65% participation in place
i would like to call Rich and Jo from Willis and see how quick they ca= deliver and at what price
if acceptable then we should make Will=s who we have been with for 5 years and had great success our broker
of rec=rd for the Boeing
please advise

Jeffrey, Rich and Darren,
I spoke to Nigel English, he asked me if we are proceeding with insuran=e coverage, even though the trip
canceled, it appears the replacement aircraft that took our place is smaller, 17 passenger aircraft, a=d my not be
acceptable to the Ivory Coast,. Nigel said to call him when we hav= insurance and able to depart,. no guarantees, but
worth trying,.

Jeffrey, should we stop Meridian from trying to acquire a quote and let our underwriters Willis try?</=iv>

we need to consult with a Aviation Attorney to determine the best way f=r use to enter US for United Nations meeting later this month,. if w= have the opportunity to salvage this trip,.

thanks,
Larry
