Good morning,

"Blue Beach" has been hydroseeded, however we had severe heavy rains that washed it mostly all away, and highlighted some drainage issues we had, so we reworked the swail to allow for better drainage, and now we are ready to re-hydroseed it.

However we are going to do it early next week after this Hurricane passes, So don't waste the seed.

Regarding the entry basket, we will plant the bananas and shrubs as instructed.

Thank you,

Igala
