Ok, this I can open, and will read. For what it's worth, one person who knows Strauss Kahn very well told me that what happened was that DSK had ordered a girl from an escort agency and then the chambermaid came in at the same time the escort was due, and there was a ...misunderstanding.

Anyway it looks as if she's the one who's going to get out away.

the story is false allegations, in a world of google. unpunished accusers. fear of appearing insensitive. My favorite take away line from the Strauss Kahn "eminazis," these revelations mean little. don't forget that even liars can be raped

Jeffrey, for some reason my computer won't open the attached file. Maybe it's too easily hacked! By the way, I don't think that the English press failed to question the veracity of [REDACTED] [REDACTED] out of fear of feminists: they just believe that some stories are too good to check out.

the accuser in Strauss Kahn, has been found to be a liar, the accuser in Andrews case is worse, [REDACTED] story was bought by the news of the world,, in the Strauss Kahn case, she hoped to get money in the future and told her boyfriend, unfortunately for her (it was recorded that she hoped to get money,, not one English newspaper

questioned the veracity of Andrews accuser, all being too frightened of the feminist backlash,, I attach [REDACTED] readily accessible police record. she also accused alan dershoqitz, ehud barak and a number of other celebrity figures of sexual misdeeds
