Yes, this is my stuff. I understand your anger. But Jeffrey, I have nothing broken, do not spoil in your apartment. I just don't organize all the things as empty boxes purchased recently. Even to move from 10n to 11b, I used only 1 carton. I told you I was going to take to the store the empty boxes to add all the things. Organize things in an apartment on the shelves, I saw no point and time. You know, I almost never go in the apartment. sometimes even at night, when I with you. I'm constantly on the outside and come into the apartment only to change clothes or take a shower. There was no time even to eat. I was going to come home from school and all packed boxes to prepare for the move. And when I received a message that must come into the apartment, I asked to wait for me at school, so I removed it. But they said: "sorry, but we must do it right now." When [REDACTED] is phoned I said that there are very dirty and I'm going to move all at once how come, if they could wait for half an hour. But [REDACTED] "Do not worry, I'll care about it - I can see she is taken care of (to show you). I just now get home and pack my things right now. Because I had no where to put it all. You know how "often" I'm home. And I could not yesterday give it time because you have again started to blame me that I was not doing what I say (doctors, photo of [REDACTED], the search for an apartment, work). Please do not be angry. This is just my stuff that was not enough empty boxes and my time and attention, which I tried to give more to you. You know that 10n when I lived I never had the disorder. Please do not be mad because I did not isporita not broke and not broke. I'm sorry, I am finally pack my box right now.
