Jeffrey,

Do you have a contact in the Hotel-Resturant business who would be wil=ing to come to Alabama to present to the students in the Hotel Resturant M=etings Management dept., possibly a joint presentation with the College of=Commerce & Business? I had bill Koch come and present to the eng=neering and business departments at the end of the semester and it was wel= received. It would help John's dept and his standing in it, plus he=d get a lot of valuable experience helping set the whole thing up (I did i= with Bill Koch because it didn't involve John's dept.). Perhaps Tom=P. has someone in Alabama or Atlanta he could send to the school to talk a=out Hilton. Just asking, just in case you can lend John a hand. = By teh way, if you are going to be in PB this summer, John would like to =eet you. Says he wanst to thank you personally for all you have done=for him.

How is the case going? Any better luck with Joe?
