Jeffrey

As per your email below Sarah will obviously try and say as little as possible on this issue so as not to generate a resurgence of interest however if asked any questions she will stick to the script below which I will also share with all people involved in her upcoming media schedule. Let me know if you would also like Sarah to write a letter on this issues through lawyers as per our previous emails and conversations.

Best regards

James

AGREED RESPONSE TO ANY QUESTIONS REGARDING JEFFREY EPSTEIN IF UNABLE TO NOT COMMENT/ CLOSE THE QUESTIONS DOWN:

"As has been widely reported Jeffrey Epstein helped me out financially by paying part of a debt for me. I have known Jeffrey for many years and he has always been there for me.

Given Jeffrey's conviction I appreciate it was unwise for me to accept this money and I will be repaying it.

He pleaded guilty many years ago. to a prostitution crime, not a crime of pedophilia as has been the tabloids exaggeration. He has asked for forgiveness and paid his debt. I have nothing more to say;

and he has always been here for me. (not sought to help me). I think , it best that she say as little as possible , so there are no followups. if forced, He plead guilty many years ago. to a prosotituion crime, not a crime of pedophilia as has been the tabloids exaggeration. . Dear Jeffrey

Thank you for your email.

My advice to Sarah is to say the following in response to questions if she is unable to close the question down by not commenting.

'As has been widely reported Jeffrey Epstein helped me out financially by paying part of a debt for me. I have known Jeffrey for many years and he has always sought to help me.

Given Jeffrey's conviction I appreciate it was unwise for me to accept this money and I will be repaying it.

Whilst Jeffrey has done wrong and his behaviour cannot be condoned this was exaggerated within the media especially in the UK incorrectly labelling him as a paedophile with no clarification or explanation.'

Let me know your thoughts on the above.

Best regards

James

what are you advising Sarah to say if questions arise about me?

Dear Jeffrey

It was good to talk to you earlier this week and as I said I completely understand your concerns and frustrations as does the Duchess. We discussed a number of ways of trying to rectify this situation including:

- Public comment by the Duchess in forthcoming US TV interviews
- A statement from her
- A letter from her

In reviewing these options there is a concern that any comment "live" and "on air" might generate more negative than positive for you, in terms of follow on questions, therefore a letter of clarification – as suggested by you – would be more appropriate. This could be done personally or through lawyers.

To this end could you be kind and let me know the exact wording that you would like to see in a letter and I can then put this to the Duchess and hopefully we can resolve the matter soonest.

Best regards

James
