Jeffrey,

I just got done talking to the vendor and he tells me they sent a second invoice because the 1st one had an error in it because it had 2 radiators.

So he faxed me a copy which totals \$13,041.31 and I found out the invoice was last given to [REDACTED]. Now I don't know what happened to this invoice why it was not submitted instead of the this one.

I will find out on Monday when everyone is back to work on LSJ what happened to this invoice.

Thank you
