Great photo. Now I'm going to play Sherlock Holmes and use my powers of deduction. The woman standing to Uncle Louie's left is mom's Aunt Helen (It took me a while to come up with that one.) The boy in the white jacket (right off the set of The Love Boat) is Marvin? It's his Bar Mitzvah, although he looks old enough to be getting married, but since the girl sitting in front of Uncle Louie is not wearing a wedding gown we're going with Bar Mitzvah. Now, Aunt Paula is pregnant and Mom is not. That means Paula is pregnant with Mark. So this photo was taken in 1954, Spring or Early Summer, because the women are wearing sleeveless gowns and Mark was born in July. So that makes Marvin(?) 70 years old.

Now, let me play Sigmund Freud. WHAT DA FUCK IS WRONG WITH UNCLE MORTY? He has to put the horns on Uncle Louie. Would it kill him to have a nice family portrait. I guess it would since he's the only one still alive.

I have to get in touch with you to see if you have addresses of certain cousins.
