Subject: Island Grounds - \$300,000 funding

Michael =icker was hired 12/14/2009 as a mechanics assistant for Island =ounds. Approximately 4-5 months ago he replaced Boscoe to drive =he barge as Boscoe was pulled to repair construction machinery and =quipment. Boscoe was under the assumption that once machinery was =ixed he would go back to operating and maintaining the barge. =ust recently, Ricker was out of work and instead of keeping the barge =perational with Boscoe in charge they refused to do trips and Bill =owles could not receive cargo from tropical. His hourly =ate is \$25 per hour with an annual cost with payroll taxes of =60,065.

Something seems strange here.

Please =dvice.
