Hi Jeffrey!
how are you?

I have just got=back from my job :) working over hours. takes a lot of time and effort to m=nage 40 apartments, arrange my boss diary, do viewing and ect
I f=el like superwoman there :) will get super skinny soon... just like you lik= it hehehhe. I like hard work and new experience though :)

The company is very nice and exclusive as none of t=e properties goes officially on the market all is done through special agen=s and previous tenants.
So if you will come along somebody t=at needs to rent/buy NICE apartment/PH/house(rent starts £1700-£2=000/week, sales depends,but there is houses something like yours on 71st f=r sale) let me know, because I was promised to get little % . So you would give me a chance t= earn for my school :)

Actually i was sooooo=close so close of getting in my school...
just imagine!

Evening. dark. Knightsbridge. quiet, most expensive houses in London ar=und. Erika and I walking together. Erika on the right side me on left. I am=after all day hard work going back home, Erika is going for dinner with pot=ntial investor for her project. we chat and laugh. As we walk further w= see something on the right side walkway, Erika sees it first, she approach=s it and picks it up... the minute she is squatting back with that mysterio=s lace in her hand I see night time sparkles of diamonds!!!!!!!!!!!!!!!!!!!! it=is diamond "tennis bracelet" that has best quality 53 diamonds in white gol=!!!!!!!!!!!! and worth £20 000!!!

I had tennis bracelet on my dream board for a year. thou=ht "one day i will have it". As I prioritize my dreams if I was the one on r=ght side of walkway and to find it I would sell it and go to school!
but... i say that "everything hapends for a reason!" And i am happy for=my best friend and I think she is worth every diamond and even more! but to=be honest with you I would be happier for her if I was not walking down the=road when she found it :) it put me in a lot of thinking about the destiny a=d why some people just find their dreams on the street and some have to wor= hard to earn it.
At the end of the day, I have so much of none material things that I wa= blessed in life that sometimes I am angry on myself even to be upset about=it.

And.... next evening on my way back home I fou=d £5!!! so clean and new!!! that is the most valuable thing I have eve= found!!! :) :) :) :) hehehhehehehe!!!

that was my lesson and sign :) To tolerate and maintain good wishes in the face of adversity requires tremendous inner strength. However the rewards are great and will get bigger and bigger little by little for me every day!

:) :) :)

I think you are my diary for this week. sorry.

I really hope you are good, healthy and happy. Life is damn good and i believe you enjoy it!

take care
