John would like for Steve to come p=esent to the students in the Department of Restaurant Hotel and Meeti=gs Management at U. of Alabama next fall. How should he approach Ste=e? John mentioned it to Steve a few months ago.

How are things going with you? Paul & I met by accident in a=restaurant and we had a nice time together. He said he plans on seei=g you this summer when he is in New York. He did not have any info on=your case I didn't already know. Hope Joe A. has had better luck lat=ly.
