Some mad thinking:

What if we do some major counter-measure to this press crap by establishing a E&S Investment office in London for European & China deals plus philanthropic funding for specific projects (children hospital, university science, etc). It is your investment office fronted/headed by me and nobody knows you're behind it until the moment we chose to disclose this.

I can bring in small team for the work which i have ready to recruit or we use JPM back office ?

Downside is, it is your money.... and clearly very important: you need to lend me your plane.....!!!!!!
