Cessna 340 could be a good choice.. two engines, pressurized, burns around 30gph , range around 1200miles, cruise speed ~219ktas (max 244) ..

Something like this:

http://www.aircraftdealer.com/aircraft_for_sale_detail/Cessna_340/1979_Cessna_340A,_Ram_IV,_2006_Paint___Int,_SHARP!/30520.htm

<http://www.controller.com/listingsdetail/aircraft-for-sale/CESSNA-340A/1980-CESSNA-340A/1192905.htm?>

Even Cessna 310 is nice with the updated avionics: <http://www.controller.com/listingsdetail/aircraft-for-sale/CESSNA-TURBO-310-RAM/1978-CESSNA-TURBO-310-RAM/1180528.htm?>

Or a single engine like a Piper Malibu Mirage: <http://www.controller.com/listingsdetail/aircraft-for-sale/PIPER-MALIBU-MIRAGE/2002-PIPER-MALIBU-MIRAGE/1180577.htm?>

I don't really know what plane to look for. I can see if they are able to lease for 2 months..
