These quote are based on using their containers?</=pan>

Unless you want to use our container and leave them at Zorro than it wouldn't make sense to send our containers.

Also in the future I don't think you should cc JE on these type of e mails that should be handled between us he doesn't need to be in all the e mail traffic.

I sent him the e mail with quotes in order to respond to him.=o:p>

Jeffrey,

Crowley quote is STT to Jacksonville and trucking to NM (estimated 2 weeks from sail=of ship)

20' container is \$ 6,250

40' container is \$ 6,650

Tropical to Florida is much more expensive for the same 2 week time table.

However if this is not a rush Tropical can deliver in a 3 week period (this will go from Tropical STT to PR and than loaded with Horizon which will sail to Hous=on and than trucked to NM)

20' container is \$ 5,702

40' container is \$ 6,752

I also found out that Tropical uses Horizon to Elizabeth NJ in case you ever wanted to ship something to NY (this is something new within the last couple of months)

Thank you
