Subject: Update

All,

Today, after 16 days in the hospital, I was released. I immediately recalled the words of the old slave burial spiritual "Free at last; free at last; thank God Almighty we are free at last."

Today we heard from the accountant that is doing the due diligence for Douglas Durst. He was told that the due diligence is finished and the executive summary is going to Douglas and his attorney today; that Douglas acts relatively quickly on these matters and we should expect to hear something early next week. Certainly the inference is that he expected it to move forward. Obviously, we will keep you informed.

Jerry
