Hi Jeffrey!!!!

How are you?! (you never answer this question!!!) Missed talking with you!
I am good, was very busy modeling past two months, twisted my ankle on one of the shows so did the rest of them like a hero ;) modeling is good but on Monday starting also to work in high end real estate development company. Very exited for new experiences and ability to make some more money for my studies! So I am going there little by little :) By the way, my dad was offered to run not only one of the biggest aqua parks in EU, hotel but plus the main SPA of the city so he is waiting for my ideas and help with it! I am very inspired and happy! My friend Erika has amazing project 'Model hub' that she is working on now,i believe it will be lots of work in the future too!Missing and worried about ████ Did you see and talk with her lately?feel so bad for not being with her when she is going through such things in life.let me know what do you think how is she if you saw her!

.

All best!
