c= Confirming that we will use a Universal Remote for Home theater

Rich per our discussion , here are a couple of =uestions I have in regards to moving forward to complete the =roject.

71st Street

- 1- Do we still intend to use the =ntegra Preamp or Airplay receiver?,.
- 2- JE likes to control the =onos with the IPAD, is there already one in the 6th floor or do we =eed to provide one?
- 3- Do we want to control the Sonos with the =xisting Crestron remote also?

LSJ

Theater =oom:

- 1- thoughts on building an encloser with a hole just =arge enough for lens to protrude out, so baffle the projector =oise,, and provide proper cooling for projector.

Master =edroom

- 1- Do we still intend on using the existing Sunfire =quipment for this room or change the pre-amp to integra or =irplay compatible reciever?
- 2- Will we be using a Universal remote =o control the System or iPad to control =ystem?

Gym

- 1- Do we need to change any thing in the =ym

TiKi

- 1- Need speaker choice for Tiki area ?
