> I did...we have been through =his already. It is the reason I came to =YC.
> This is not the first time I =m telling you about the school. You already said it was a good idea and = should do it, so it seems silly to now go through this dance every =ime I mention it; 'Oh, I just found this school that i think would =e useful. I would like to attend this school > I think it would =e helpful, meaningful, I really enjoy flying and I think i would =enefit from it. And what a coincidence - it's in New york and I could have started today..'
> I =lready said thank you, I already said I appreciate the flying very much =ut it seems the more I say it, the more I express how much I like it, =he more you use it to control me. You sent me away from Florida so = go to a flight school somewhere else but I've been now sitting in the =partment for 3 days with nothing to do. and since you couldn't respond =esterday without picking on how I word the question instead of an =nswer, I am wasting another week. it is not =air
