I just spoke to Chris Shurkus, Sikorsky is willing to bring S76 to TEB tomorrow for your inspection, Eric Roth, George Reenstra and Chris are expected to be present.
Please confirm that you want S76 in TEB tomorrow morning?
Chris said Sikorsky will not concede to any additional concessions to those presented to Darren this morning via e-mail.
Jeffrey, would you like to ride in the S76 for a drop-off at the east side heliport in Manhattan after your inspection, as oppose to jojo?
Thank you
Larry
