Hi Lesley and Jeffrey:

My new origins staff has begun planning the Origins Scientific Advisory Meeting in ST. Thomas in Nov (12-15 I think). and our go-getting new outreach coordinator (ccd here) has already contacted the westin to reserve rooms.. but I realized that we perhaps should be coordinating with someone at your end, and perhaps it should all be done that way. I don't know who, if anyone I should have my people work with on arranging the details of this weekend.
