Jeffrey-here's the first iteration of the materials I think you'll want to =eview. RJ and the rest of the office have pulled them together and have re=iewed them. We will start to compile all the wire transfer directions next=week. (The only ones included in the package are the 4/15 directions.) I s=spect you'll have additional requests as well. I'm around to speak now or =ater this weekend if you want to. B Sent from my Verizon Wireless BlackBerry
