Jeffrey,

Please find attached Plan A and Plan B for the new Kitchen.

As per your directive, I am proceeding with Plan A with a layout similar =o that at Zorro.

Brice has suggested ideas to pursue in its development, which are shown =n Plan B.

Please note while the overall concept is the same, an open main space =ith a separate Butler's Pantry and Pantry.....

Plan A is symmetrical in plan with overall open =irculation

Plan B is asymmetrical in plan with directed =irculation

Please review and comment.

Thank you.

Silvina
