Hi [REDACTED]

I hope you are doing well.

We were wondering if Jeff had a chance to review the contract and if he had made a decision.

We would like to set a design team aside for this given we're pretty busy this month already and recall Jeff mentioning he wanted to get this going fairly soon so he could review the final designs before thanksgiving.

Feel free to share this with him and let us know how we should proceed. If need be, he can reach Chad at his mobile directly at [REDACTED] He is in Miami now.

Thanks so much!

Kind regards,

Christian
