Subject: Nannan-Re Best Hotel near campus

Hi [REDACTED]

Among the three, we think Pangu hotel is the best. But it is a local brand. If Mr. Epstein is more comfortable with international brand and does not mind living a bit further away from our campus, say, about 45 mins drive, he can choose one from the following two:

The Ritz-Carlton Beijing, Financial Street, <http://www.ritzcarlton.com/en/hotels/china/beijing-financial-street>

Four Seasons Hotel Beijing, <http://www.fourseasons.com/beijing/>

Best wishes,

Nannan

Here is more information about a few nice hotels that are within a reasonable distance to our campus, in case Mr. Epstein would like to see more options.

1. Aman Summer Palace, <https://www.aman.com/resorts/aman-summer-palace>;
2. Crowne Plaza Beijing Zhongguancun, <https://www.ihg.com/hotels/gb/en/reservation>
3. Pangu Hotel, <http://www.panguhotel.com/en/>

There is a five-star hotel outside the south gate of our campus. Here is their website: <http://www.wenjin.com.cn/>. They give us a special rate, so we can make reservation there for Mr. Epstein if he thinks it is okay.
