erika , jp.

can you please send me an email as to exactly what it is that we still need to deliver. and the timing for approvals. I understand that we must ask for a variance for the 80 foot flagpole. ? should i assume that once we submit the heli copter drawing , which is simply a 80 foot circle that we have laid out on the map. permsiions will be given ? i understand that we need exact dimenstions of the place for 20 palm trees. . and a survery of where i have lots of debris? to avoid any further misunderstanding i would like an agreed email . thanks.
