Hi Gino, Ray and Jeffery,

I can get a train from Washington to NY Pen Station on Monday October =he 3 rd and will arrive at 11:20 am. I will be in NYC until the same =ime the next day so could we meet on the Monday.

How will that suit you, but NYC does seem a long way from Princeton. =ino was suggesting Jeffrey's place but I do not know where that is.

Looking forward to hearing from you.

Best wishes,  
Peter

Hi Jeffrey,

I'd like to introduce you to Ray Lee and Peter Fenwick. Ray is =he one doing the two headed scans at Princeton. Peter is in from =ondon and did the eye-gazing work with EEG that I showed you when we =et. Perhaps the three of you can meet at Jeffrey's place in =YC while Peter is there.

Ray, Jeffrey will support our eye gazing study (hope to also have Peter =here too).

gino
