Hi Rich,

They are both not the =asiest cars to get form values on I'm afraid. I have \$135,000 for the =aybach. There seems to be alot of new unsold inventory of those cars so =lot of dealers are wary of buying more already titled!

I am working with =pecialist buyers on the Arnage, that will take a little longer to get =irm numbers. I will be in touch as soon as I hear more.

I have also chased our =entley regional manager up for an update on pricing for the Mulsanne =WB.

I'll be =n touch,

Rupert
