Yes
Reality - both perceptual and notional is a human construct as is physics math science art music God beauty etc
Much better phrasing than mine . Consciousness conceives governs constructs and becomes the human universe (my phrasing) sounds too abstract to many .
I'm starting book tour today - first by satellite

you would have loved to see krause's face when Gromov told him no such thing as infinity and that reality was a human construct. and does reality exist would be the equivalent of asking does god exist his favorite question.
great laughs

Gromov the mathematician ? I'd love to meet him some time . My interests this
afternoon were more carnal .

I had an interesting evening that ended in a cliffhanger .

Shall I have a few copies sent ?
It's a v small book
People carry it in their purse
Many hotels keep in the rooms instead of the bible
