Subject: Upcoming Private Jet Travel Requests

Good Afternoon,

I am following up to see if you have any upcoming travel plans. If so, it would be my pleasure to send you multiple aircraft and pricing options.

As always, I offer the most competitive pricing and outstanding service.

Beyond pricing, there are a few things that separate Apollo Jets from our competitors. Most importantly, we are the first ARGUS certified broker in the industry. 24 hours prior to every flight we run a trip check on the aircraft/crew to make sure that all details adhere to our safety standards. The aircraft and crew must pass the ARGUS Trip Check report in order for that aircraft to be utilized for your charter. This adds a level of safety to each flight arranged by Apollo Jets and differentiates us from other charter brokers in the industry.

I look forward to hearing from you.

Best regards,

Adam
