I told her to find girls when she goes out. At first she thought I was trying to introduce you to her as a test, so she was saying no to everything. Once I convinced her that it wasn't a test (and I don't want to be her bf) she was more open, so I guess once she gets her visa and comes back to NY I can bring her by again, I think that would get her to trust the situation. She's trying too hard to show me that she's a "good girl".
