on with Amex! Because we have booked their flights already they have to get off plane in Miami and go through customs and collect their bags...they land at 4:10pm The connecting flight is American but they would have to lug their bags (and 3 of them are 30 klg each) through customs and to the next flight departing at 5:55pm. The agent I am speaking with is afraid they would miss the connection ...I have the flights on HOLD. Please advise if I should purchase the connecting flight.

Biz: \$1495.90
Coach: \$806.90

I can try to call Florence on her cell to alert her (possibly wifi on plane?), but the plane is in flight....scheduled to arrive almost 20 minutes early now...which would be helpful...

Please advise if I should purchase these flights...
