Gianni told me he will send me an email to let me know when he will be in Milan and sent me the contact of a real estate guy who can help me find an apartment. Thank you very much.

I told margo I was taking her place in London to share the house with Olimpia in October because I thought I was going to do the internship with [REDACTED]. When I told her I was not going anymore, she got mad at me because she said she refused some propositions and now it's too late to find a renter for the month of October.
