Subject: Jeannine re Grand Hyatt Tokyo

Please see below and advise if we should take the rooms she has to offer:

[REDACTED]

I'm sorry but the hotel is sold out and this is the best they can offer at this time.

They may have some changes closer to the date but we won't know that until closer to check-in time.

Are you still interested in this reservation or the ladies?

Thanks,

[REDACTED]
