I think I did well! Definitely did well on the first part (was by biggest concern - Financial Analytics); had expected to do better on the third part (Economics for managers), was starting to feel tired at the end (no breaks) - The accounting was in the middle and went well.

The test was supposed to start at 1pm but started around 4 (I'm way sharper in the early afternoon). Still think I did well! They probably announce the results after August 8th (everyone is supposed to take the test by then)
