If memory serves, we painted GII Silver to Black at Jet Aviation Paint Shop Palm Beach, the same time we sold your White 1963 Corvette convertible to Willis the paint shop manager at Jet Aviation PBI, The official doc would be in the Aircraft Log book, which correct owner has possession.

We may have invoice record of Jet Aviation paint shop in NY archives, date 1997 is a guess, The GII is parked in Caracas Venezuela now, I'll check if the same pilot is flying it, and try to get the log book entry if you like?
