Dear Jeffrey...

I did all th= research for a machine that can render my rhino work in vray. It must be =indows and generally better to order online where they have solid state dr=ves and built in discrete graphics cards. I found one for a good deal. =A0

Dell just phoned me however and said they cant process it on =y english card and I have to use an american card.

My amex=has a limit so the good thing is I can never exceed that.

I could draw the money from the ban= in increments (probably would take 10 days) and give to Bella, Or if I re=ch the limit I put anything further for that month on my UK card.

I would rely on school but they are keeping such silly hours for the summ=r holiday. (They used to be open 24 hours and I could work well into the n=ght)
