BUMBLE REPRESENTATIVE

- We are looking for a highly motivated representative that is well connected in his/her country.
 - Someone who knows all the right people and can launch the app in a natural and organic way.
 - We are looking for people that can spread the app through word of mouth and networking. At Bumble we strive on in-house creative marketing and word of mouth rather than big PR bursts or ad buys.
 - As opposed to other social discovery apps Bumble has a much cleaner, chic, and high-end group of users.
 - We are looking for someone who knows all the right people in their country and can launch the app by having all the right people join.
 - A representative will work on throwing exclusive events, obtaining press organically, creative marketing, and spreading the word with all the right people in all the right places.
- Benefits for being a rep: Compensation, room for growth, working for an innovative company, flexibility, looks fantastic on your resume, this can be done on the side of having a full-time job.
