The perfect Father's Day gift. Now \$50 off.

Nest Cam is a security camera – and an everything else camera. So while it can spot criminals, it can also catch the moment when your dad saved the day. Or the BBQ incident of 2015.

This Father's Day, we'll take \$50 off a Nest Cam to help you catch those impressive moments. And with a Nest Aware subscription, you can save them, too. Even the ones Dad might want to forget.
