Hi littlestjeff,

The password for your Yahoo account, |*****ff, was recently changed.

If you made this change, you're all set.

If not, please take these steps to secure your account:

1. Click here <<https://login.yahoo.com/forgot?>> to recover your account.
2. Visit your Account Information <<https://login.yahoo.com/account/security?>> page to review your account recovery data on file.

Thanks,
Yahoo
