For the past two years, Nest Cams have been spotting thieves and helping people solve crimes. Now we've made a new Nest Cam. One that can watch your front door, garage, or backyard. You can pre-order it today and it'll arrive at your door this fall.

It's weatherproof. Streams 24/7 live video. Can send an alert when someone's at the door. And even lets you listen in and talk back. This is what an outdoor security camera should be.
