Are you interested in coming down to Tulum in Jan?

I'm setting up a research lab here: <https://drive.google.com/file/d/0BwBcl6JyrfFtMzcwMXNMNk1IYTg/vi=w>

I'm with family in Italy through Jan 1 and will be in Tulum Jan 2-14. Also talking to Joscha about coming down (will be like our Further Future Festival).

Will also be at DLD and Davos Jan 15-21 and so afterward (<http://www.dld-conference.com>, <https://www.weforum.org>).

Where will you be around that time (Jan 10 or Jan 13)? I may be able to pop by to see you for a day en route.

Hi Jeffrey,

One more thing... This was my talk at TransTech:

Provides an outline of the theoretic framework that I've been trying to explain to you over our last meetings.
