Looking for a good excuse to come to NY. I'm West (Aspen and Calif) next week, here for a couple of days week after ... basically home and normalized after Aug 11. Great trip to Japan (hiking and fishing) and Beijing (testing and coughing). Hosted an interesting dinner in Aspen with grand pooh-bahs. Leon Weiseltier got on my case saying that hope is a critical tool for recovery. I told him I was all in, but needed some thread of substance as back up for hope. He told me I was getting too technical. Read Martin Wolf yesterday's FT.
